HOW TO APPLY – IMPORTANT INFORMATION

So you've found the perfect musical for your school or group – what do you do next? It's important to remember that performance rights can be withdrawn from the amateur market without notice. Please check the availability of your chosen musical before you commence planning or rehearsals to avoid disappointment and unnecessary expense.

Our friendly staff can give you an indication of a musical's availability over the phone. However, rights cannot be confirmed for any production until an application form has been assessed and approved.

You can apply for rights quickly and easily by visiting the APPLY FOR RIGHTS page on our website at www.halleonard.com.au. Please also take the time to read our TERMS AND CONDITIONS of application located on our website.

No public performance of our musical works, under copyright, may be given in part or in full, without prior authorisation in the form of a written licence agreement from Hal Leonard Australia Pty Ltd.

All fees are subject to change without notice

Non-Australian clients: please note that you are not required to add GST to the prices quoted in this document.

All JUNIOR MUSICAL licences will incur:

- **A non-refundable booking fee of A\$30.00 (plus GST)**
